

My Dear Seekers and Devoted Lovers of the Supreme

June 26, 1995

Glory to God in the Highest!

Amazing Grace is pouring in. Riches of the Divine flow profusely. You are all traveling with me deeper and deeper and at ever greater speed into "The Supreme Golden One and the Great Mother Full of Grace."

I love you all so much. All I can do is hold you in my heart as I am dancing in Him, with Him, as Grace is showering down.

My only desire is for you to trust Him and the Grace of the Mother and come Home into the Endless Love you long for.

Thank you all for your determined effort to move forward. You will not be disappointed provided you walk through the doorway into the vast "Unknown" to your mind, but known by your soul, "your spiritual Home".

He is here to help you with a special assistance for the asking. And with Him, the Mother in Her Full Grace.

Here are three principals for a seeker of the Lord, the Supreme Being.

1. Faith
2. Sincerity
3. True Surrender

To these qualifications the Lord does answer in time. One's effort should never stop as the search for that Union is sought.

I would not beckon you to come Home if there were not such a place of splendor and Glory worth the price of your pure surrender.

Be patient yet not ever for a moment complacent.

All my Love and Prayers,

Kalindi
Eternally
by your side
