

*THE HOLY ANNIVERSARY OF
KALINDI'S SURRENDER TO HER DESTINY
February 14*

"The Voice of God" is Kalindi's title. Kalindi is the Voice of God because she speaks truth on behalf of God. Kalindi is a spiritual Master and she also speaks direct truth on behalf of God so her spiritual title reflects that. Voice of God means Kalindi speaks God's truth.

Serious people will come when they hear about the Voice of God. Those who don't come, who don't like hearing about "the Voice of God" won't come and that is fine. A serious seeker, when they see the title "The Voice of God" will be relieved.

Kalindi accepted the destiny of the Voice of God on February 14, 2005. Kalindi doesn't know of anyone else who has gotten to that point and could have accepted that destiny and be willing to do it. Many Incarnations brought forth the Voice of God: Allah had Mohammad. Moses was a Voice of God and on and on it goes and here it is, the Voice of God for the 21st century. Kalindi is the one chosen to do that.

Kalindi being known as the Voice of God is what is going to bring the people.
