# Funding Event

**Saturday, August 7, 2021**

10:00 AM - 1:00 PM MT (Denver)

6:00 PM - 9:00 PM CET (Munich)

On Zoom video conference.

**Many of us have experienced the deep spiritual benefit of financially giving to God.**

**We invite you to come to this year's Funding Event and experience newly the joy and spiritual pleasure of giving.**

*Where there is a true giver of the heart,  
God wants to put abundance through that person,  
because that person just gives and gives and gives.  
God keeps replenishing that person, so the person can just  
give and give out of love. That person can't help but giving  
because the love from God is giving, in every way.*

*God's love itself is nothing but giving.*

**KALINDI  
2008**

In addition to raising the needed funds for this year, we will be unveiling new ways that will help us to provide the financial foundation for Gourasana's 2,000-year Mission.
